For Research Leading to a Doctoral Dissertation, Master's Thesis or MFA

Submit the original to the Graduate School, Hovey 309. After review and approval in the Graduate School, copies will be returned via ISU email to the committee chair, to the department/school, and to the student.

Follow the instructions below to complete each section of this form. Submit this form after your committee has approved your proposal. The form consists of seven sections. Complete all sections and seek out all signatures before submitting this form.

(1) Check whether this is a first-time submission or a revision to this form.

(2) Student Information: Please complete all fields.

(3) Tentative Title of Research Project: Include the tentative title of your research project in this space.

(4) Protocol/Compliance: Check one response for each question. Be sure to answer all questions. If you answer yes to any of the questions, obtain and include the IRB, IACUC, and/or IBC protocol number.

(5) Copyright Checklist and Approval: You must seek permission from the rights holder whenever you reprint or adapt any work protected by copyright. It is your responsibility to follow all applicable laws regarding copyright as you prepare your thesis or dissertation. We encourage you to contact the university copyright officer who will be happy to discuss your responsibilities with you.

Fortunately, no one expects you or your committee to be an expert on copyrights. The checklist in this section will help you determine, for the most part, which material you need permission to use. If you plan to use any of the material described in this section, obtain the signature of the university copyright officer for the material you are using. Note that if after starting your research you later insert any of the items listed in this section into your work, you will need to schedule a further consultation with the university copyright officer, discuss the new item, obtain her/his signature, and, if necessary, obtain a further permission. This includes items you may insert between your defense and the final deposit with the Graduate School of your work. If at any time you are unsure how to proceed, [check with the university copyright officer](#).

For more information regarding copyright, permissions, and thesis/dissertations, please view [Copyright Law & Graduate Research](#).

(6) Graduate Committee Information: List the graduate faculty members who have been appointed to serve on your committee and who have approved the proposal. Please secure their signatures. These signatures do not indicate approval of the finished project.

University regulations require that members of the committee conform to the following:

- *all are members of the ISU Graduate faculty
- *at least one chair and a majority of all members hold full membership on ISU Graduate Faculty
- *the majority of members come from the student's department/school

If any member of the committee does not meet the above criteria, complete the exception information in this section.

To check ISU graduate faculty status, see the lists of full and associate members in the [Graduate Catalog](#). Confirm additions and changes of status not yet in the catalog with the Graduate School.

(7) Required Signatures - Please be sure you have signed this form. Obtain the additional signatures required before submitting to the Graduate School for the final approval. This includes the copyright officer's signature in section 5 of this form, if applicable, as well as the signatures of each member of your committee in section 6, and the signature of your department chair/school director.
