Certificate Audit Form for All Non-degree Graduate Certificates
(Replaces all previous plan of study forms, university and program-specific)

Instructions:

1. Please do not submit this form until the student has enrolled for his or her final semester.
2. Coordinators may choose to electronically fill in course names and numbers themselves, or they may delegate that task to the student or a staff member, who will then electronically forward the form to the coordinator for review. Rationales and requests for exceptions need to be completed by the coordinator.
3. After reviewing this form with the student, the graduate coordinator emails it, along with any required attachments, to Grad.Degree.Audit@ilstu.edu. Submission directly from the graduate coordinator's ISU email account serves as the coordinator's signature on the form and is required for the degree audit.
4. An audit form must be submitted for each certificate program a student is completing.
