

# University Research Symposium

Spring 2026

APRIL 10, 2026

| BONE STUDENT CENTER

Morning Session

9:00 a.m - 11:00 a.m

Afternoon Session

1:00 p.m - 3:00 p.m

Faculty: The number one reason students give for registering in the University Research Symposium is "My Professor."

Encourage your students to submit their works of scholarship, research, and creative expression in the annual University Research Symposium. This may be a student's first opportunity to discuss their work with an audience beyond the classroom. Consider embedding the symposium into your curriculum. Symposium participation also offers access to small grants to help students with project costs and/or presentation of work off-campus. The 2026 Guidelines are posted on the symposium website. Individuals and groups alike may present in the symposium. Watch for updates and registration reminders from [Symposium@illinoisstate.edu](mailto:Symposium@illinoisstate.edu).

Registration Opens: DECEMBER 1, 2025

Read the guidelines here!

Registration Closes: FEBRUARY 13, 2026
