

**APPLICATION FOR COMPLETION OF A
NON-DEGREE GRADUATE LEVEL
CERTIFICATE PROGRAM**

All students planning to officially complete a certificate program should submit the completed "Application for Completion" form no later than the due date listed on the "Important Dates and Deadlines" for the semester you plan to finish all certificate requirements. These dates can be found on the Graduate School website.

You will not be considered a candidate for a certificate until this application and your certificate audit are on file in the Evaluation Services Office. You will not officially complete your certificate program if these forms are not filed. A separate application form must be submitted for each certificate to be completed. No fee is required.

PLEASE READ: You must be officially admitted to a certificate program by the Office of Graduate Admissions before filing this application. Admission into a degree program does not constitute admission into a certificate program. If you have not submitted an application for admission to your certificate program, please do so right away on the Admissions Office website. Once you have received a letter from the Admissions Office stating that you have been admitted, only then should you file this application. This application cannot be processed until your admission has taken place.

Instructions:

Complete and return form in person or mail to: Evaluation Services, Campus Box 2202, Normal, IL 61790-2202; Moulton Hall 107.

The audit form for your certificate should also be on file with, and approved by, the Graduate Coordinator of your program. The Graduate Coordinator of your program will send the approved audit via email to Evaluation Services staff early in the semester of your anticipated completion if you have given notice that you plan to finish all requirements.

NOTE: Applications for students who fail to meet completion requirements for a certificate in a specific session are canceled, and you must fill out another completion form for the semester you plan to complete the certificate requirements. Any questions email grad.degree.audit@ilstu.edu

Commencement Ceremony: Certificate students do not participate in University commencement ceremonies except by agreement of the college which sponsors the academic unit.

APPLICATION FOR COMPLETION
of a Non-Degree Graduate Level Certificate*
