Graduate School 209 Hovey Hall Campus Box 4040 Normal, IL 61790-4040 Telephone: (309) 438-2583 GraduateSchool@ilstu.edu

Ora Bretall Scholarships will be awarded on a one-time basis to persons enrolled in graduate programs at Illinois State University whose proposal for masters thesis or doctoral dissertation deals significantly with issues in educational theory or religious thought, and who give promise of continued contribution to the development of educational theory and practice. Educational theory refers to study in pedagogy, educational foundations, curriculum and educational administration. Eligible students from all colleges in the University may compete for an Ora Bretall Scholarship. The selection committee evaluates the applicants demonstrated scholarship and potential as illustrated by a) the applicant's academic record, b) an abstract of the accepted/defended thesis/dissertation proposal, and c) 2 letters of recommendation that speak to the contribution this research will make as well as the applicant's ability to complete the research successfully.

As a general guideline, an award of \$1,000 for master's thesis and \$2,000 for doctoral dissertation will be made, although variation to this standard may be made by the selection committee in relation to special aspects of the proposed thesis/dissertation project and funds available from the endowment. Receipt of this award may impact other financial aid that a student receives. Awards will be announced in October and April.

Instructions: There are two sections to this application. Read and complete both sections of the application. Submit application and supporting materials listed below no later than September 15 for fall, March 15 for spring. (If these deadlines fall on the weekend, the Monday after the 15th will be the due date.)
