

**TRANSFER OF CREDIT  
FOR MASTER'S DEGREE OR CERTIFICATE PROGRAM STUDENTS**

To be used by masters degree or certificate seeking students who desire to use credits earned at another institution toward their masters degree at ISU. Those seeking a doctoral degree do not use this form. Instead submit with your Degree Audit a copy of the transcript/transcripts needed to verify course work contained therein.

**Instructions:** Complete all fields, secure student and graduate coordinator or dept. chair signatures, and submit the transcript/transcripts needed to verify the work. If work has not yet been taken, submit transcripts as soon as they are available.

- Graduate credit is only accepted from colleges or universities accredited by the appropriate regional accrediting association.
- Transfer credit must carry a grade of B or higher in graduate level course work (NOTE: grades of CR, P, or S are not acceptable.)
- A student who plans to take work elsewhere should obtain prior approval indicating that the course or courses are appropriate to the student's Plan of Study.
- Correspondence courses, thesis hours, and Independent Studies are not accepted toward a master's degree or certificate.
- No courses are transferred without this formal request from the student.
- It is the responsibility of the adviser or Graduate Coordinator of the Department/School requesting to transfer a course to verify whether or not the content of that course is suitable as a replacement for the required course in their department or that the course is a good elective to fit into the department's requirements.
- Students hold the final responsibility for knowing and completing all requirements for the degree and insuring that their Request to Transfer Credit form is filed with Evaluation Services not earlier than the completion of one semester in their degree program and not later than the 1st Friday into the semester of anticipated graduation and by a date established by the Graduate School.
- Student is "degree status" or "certificate" (cannot be Conditional or on probation) to transfer credits.
- Visiting Students are not eligible to transfer courses.

Check your request below for either MASTER'S or CERTIFICATE TRANSFER OF CREDIT:

- MASTER'S DEGREE TRANSFER OF CREDIT: A student may present a maximum of twelve semester hours (MFA = 6) of graduate credit or 33% of graduate program credit hours, which ever is higher, for use in meeting the requirements for a master's degree.
- CERTIFICATE TRANSFER OF CREDIT: A student may present no more than 40 percent of graduate hours required for use in meeting the requirements for the certificate in transfer credit.
